PROJECTS

Workout tracker discord bot (Python)

December 2024

- Learned how to deploy apps via railway
- Created it for my ultimate frisbee team to track individual workouts

Angle Anglers educational game (Unity + c# + html)

October 2024 – December 2024

- Worked in a team for my software engineering class
- Planned deadlines ensuring everything got done on time
- Used many skills as we had to create a website along with the game

Choose your own adventure game (Pyret)

Spring 2020

- Implemented a binary search tree you could traverse using the left or right arrow keys to survive all the way through
- Enhanced first draft into a more complete final copy that looked more appealing

WORK EXPERIENCE

Amerasport, Holliston, MA

May 2022 to August 2023

Order Picker / Customer Service

- Working in a clothing warehouse picking orders as well as in customer service, calling customers about products
- Counted inventory for almost the entire warehouse with coworkers

Demoulas Market Basket, Bellingham, MA

December 2018 to January 2022

Front End Worker / Grocery Clerk

- Worked at a register, increasing my memorization skills
- Stocked shelves and worked with managers keeping the store in tip top shape
- Kept customer service as main priority

Medway Youth Soccer + MIAA, Medway, MA

September 2014 to June 2018

Soccer Referee

- Refereed with confidence and did not allow the games to get out of control
- Learned how to manage conversations with unhappy parents and deal with stress

VOLUNTEER EXPERIENCE or LEADERSHIP EXPERIENCE

Puerto Rico community service trip through Medway High School

Winter 2020

- Dedicated a week of time and effort to helping the locals of San Juan
- Cleaned out a plot of land where a house burned down for a park to be put there
- Renovated a weathered down school in an effort for children to have a place to learn

INTERESTS

Skiing, Soccer, Ultimate Frisbee, Traveling, National Parks
